IN A FEW WORDS

- Combination of high technology and luxury
- Sporty Chic
- Unisex
- Trendiness of large size watches

STYLE & INSPIRATION

The Tambour in Black collection is now enriched with a new model : a large version of the already successful Tambour In Black Diamonds.

This collection mixes high technology and luxury. The large size makes the watch all the more trendy and enhances the exceptional touch given by the diamonds. The unexpected contrast between "Black Force" steel and diamonds will appeal to people looking for innovation and creativity.

KEY POINTS

- "Black Force" steel on the case:
 - 4 times stronger than stainless steel
- Flange paved with diamonds
- Diamond paved horns
- Large black Monogram rubber strap
